

ICD-10-CM Coding Updates

November 14, 2018 | 9 am to 12 pm

More than 400 ICD-10-CM code changes went into effect on October 1st for patient encounters occurring from Oct. 1, 2018 through Sept. 30, 2019. A number of specialties will be impacted. Don't let improperly coded claims put a choke hold on your revenue - gain the facts on the code changes in this ICD-10-CM update program.

Participants will receive a course manual with a summary of the code changes and resource links for use beyond the classroom PLUS an explanation of the changes and their potential impact on the practice.

Instructor |

Deborah McNeilance, B.S., CMC, CMIS, CMOM, CMOM-HEM/ONC, CPC from the Practice Management Institute

Who Should Attend |

Coding and billing professionals, office managers, compliance officers or anyone interested in keeping up-to-date with ICD-10-CM changes.
